REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

Statement of XL Precision Technologies Compliance with REACH and SVHC (January 2021)

XL Precision Technologies are downstream users of chemicals used in machining, manufacture and cleaning processes and are therefore not required to register.

We do not make product intended for release into the environment/atmosphere.

In any event, none of the Substances in the January 2021 revised SVHC List are used in the manufacture of any of our products.
