Certificate of Approval

This is to certify that the Management System of:

XL Precision Technologies Ltd

Unit 79 Sadler Forster Way, Teesside Industrial Estate, Stockton on Tees, TS17 9JY, United Kingdom

has been approved by LRQA to the following standards:

ISO 13485:2016

Approval number(s): ISO 13485 - 0010000

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

The manufacture of precision components including development samples, small batches and high volume production utilising mechanical, EDM and laser technology for the medical industry. Specialising in micro-components, medical tube components and assemblies.

Masa Call

Marta Escudero

Regional Director, United Kingdom and Americas (UKAM)

Issued by: LRQA Limited

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'.

LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
